Of a few of these varieties the supply available is less than 100 plants, but I have quoted the hundred rate for uniformity.

TULIPS

Ready in August. Prices are per pound. Not less than a pound of a variety sold, except W. T. Ware. Pound rates include postage. Small planting stock, not blooming size.

The "size" indicates the approximate number of bulbs to the pound. If the size ordered runs out, I will complete the order with the nearest available size.

Mixed Late. All colors. Sizes 250 and 600. \$1.00, 3 pounds or more at 80c.

Mixed Darwin. Sizes 600 and 250. \$1.00, 3 pounds for \$2.70.

Inglescombe Yellow. Very late. Sizes 600, 250, 120. \$1.00.

Ellen Willmott. Cream-yellow. Very late. Mixed small sizes, \$1.00.

W. T. Ware. Deep yellow. Very late. One-fourth pound, \$1.00.

NARCISSI

Ready in August. Prices include delivery.

Mixture. Many varieties and types, earliest to latest.

Chaucer. The earliest poeticus narcissus. Eye very brilliant.

Grandiflorus. The largest of the poeticus type.

Prices of the three preceding: second sizes, \$2.20 per 100, 300 or more at \$2.00 per 100; third sizes, \$1.10 per 100, 300 or more at \$1.00; fourth sizes, 55c per 100, 300 or more at 50c per 100.

Horace. A large, tall poeticus variety. Eye nearly solid red.

King Edward. One of the snowiest of the poeticus type.

Prices of the two preceding: second size, \$3.00 per 100, 300 or more at \$2.80 per 100; third size, \$1.50 per 100, 300 or more at \$1.40 per 100; fourth size, 77c per 100, 300 or more at 70c per 100.

These varieties are graded to four sizes, the first of which is priced in my retail list. The second size contains mostly blooming bulbs, maybe all. The third size may contain blooming bulbs, but probably not. The fourth size is very small.
